

PRESS RELEASE

Safic-Alcan Necarbo B.V. achieves Silver rating for its EcoVadis 2020 ESG Assessment

Paris-La Défense, 3 August 2020 – Safic-Alcan Necarbo B.V., a subsidiary of the Safic-Alcan Group, an independent specialty chemicals distributor, is proud to announce that it has successfully achieved the silver certificate by the rating agency EcoVadis. With 57 out of 100 possible points, Safic-Alcan Necarbo is among the best 25% distributors assessed by this organization.

EcoVadis assesses the sustainability performance of companies in the four categories environment, social affairs, ethics, and sustainable procurement. The EcoVadis Silver status award shows that Safic-Alcan Necarbo BV is on the right track in terms of its commitment to responsible Business.

“Safic-Alcan Necarbo BV has been awarded Silver status for the third time by scoring above average in each reporting category — sustainable procurement, business ethics, environmental performance and human rights. We first achieved a silver ranking in 2017 with a score of 50 and have steadily increased performance since engaging on the EcoVadis platform” stated Jos Van Buul, Managing Director of Safic-Alcan Necarbo

“This reflects our culture to integrate sustainability as an opportunity to collaborate in the value chain. Specialized in Performance Products (Coatings), our Netherland Team is playing a leading role in deploying our company efforts and we aim to extend this performance across the entire Group without distinction among the industries we serve.” said Philippe Combette, Chief Executive Officer of Safic-Alcan Group.

About Safic-Alcan

*Safic-Alcan is a French independent distributor of specialty chemicals headquartered in Paris La Défense (France). The Company develops and provides wide ranges of polymers, materials and additives for the rubber, coatings, adhesives, thermoplastics, polyurethane, lubricants, detergency, cosmetics, pharmaceuticals and nutraceuticals industries.
